IMPACT CORNER

Candidate Conversations

In anticipation of the ITC assessment, our Candidate Conversations journey this month linked us with Thobile, who took us through her ITC2023 success story.

She understood early on that your journey is yours, and yours alone. When you learn to turn off the noise and listen to yourself, you can decide what tools you need to make your journey a success. Her unique exam technique guaranteed her a pass in her ITC.

ITC Support

Our mantra is expert learning with a personal touch, and we always support our candidates until the end. This year was the same.

We visited the biggest ITC venue, Gallagher Estate, and handed out water, energy drinks and some tasty snacks to help everyone stay hydrated and energetic on their assessment day. On the day of the important assessment, we just want to say "Stay calm. You can do this!"

We are grateful to ABASA Gauteng and Investec for joining us in this initiative.

Thank you partner!
