EXPERT LEARNING WITH A PERSONAL TOUCH

COURSE OVERVIEW

The board course comprises two phases as follows:

PHASE 1 – TECHNICAL PHASE: The objective of this phase is to further guide you through key technical resources to ensure that your technical knowledge is sharpened. In addition, the course will unpack the pervasive skills that form part of the CA of the Future Competency Framework and help you understand how these are assessed within the context of your technical knowledge.

Every contact session during this phase will be accompanied by a class task to sharpen your technical skills and build momentum towards your IAC success.

PHASE 2 – EXAMINATION TECHNIQUE PHASE: In this final phase of the course, the focus will be on preparing you for the new IAC examination format through the provision of IAC structured examinations, with one of them being written under examination conditions (i.e. Final Preparatory Examination).

IAC BOARD COURSE STRUCTURE

These are the key elements embedded in the programme for your success:

LIVE CONTACT SESSIONS: The limited number of live contact sessions, which are supplemented by pre-recorded content, focus on unpacking the fundamental principles in a particular question. Unlike typical lecture sessions, the objective of the live contact sessions is to facilitate engagements to sharpen your critical thinking, business acumen, ethical leadership as well as business writing skills.

CTA ONLINE LIBRARY & QUESTION BANKS: We provide you with full access to the CTA online library with videos and course material as well as guidance programme notes to help you build and/or entrench your technical knowledge as well as to enhance your technical proficiency during the course. Additionally, you are provided with comprehensive question bank with carefully selected questions for your developmental journey and equip you for integrated thinking in the IAC.

COMMUNITY ENGAGEMENTS & PRIVATE CONSULTATIONS: Using LinkedIn style platform, you will be provided with guidance and get a chance to engage with our lecturers to have all your academic queries answered efficiently and in a timely manner. Our team is also available via private consultation slots to assist you with developing / enhancing your personal study approach and clarifying any complex matter that you might have encountered during your studies.

EXAM TECHNIQUE THROUGH CLASS TASKS & MOCK EXAMS, LEVERAGING THE POWER OF AI: In addition to the well-structured question banks, we have several mini-assessments throughout the course that we mark using AI and provide you with personalised and comprehensive feedback to help you understand your shortfalls and improve your exam technique. To enhance your learning journey, you will also have your script reviewed.

WELLNESS SUPPORT: We partner with coaching experts, candidates that have walked the journey, so that they can help you achieve the confidence you need to overcome your exam anxieties and the bumpy parts of the journey. You are never alone in the programme and the whole team is behind you, regularly checking up on you to see if you are doing well and fitting in and well managing the programme and its commitment.

YOU ARE NEVER ALONE. WE ARE WITH YOU EVERY STEP OF THE WAY
